Starting over—or just refining what you've got? ELLE DECOR's renovation style guide offers inspiring ideas and terrific products that will improve any room in the house
Produced by Mieke ten Have

HEAVY METAL

For more than 25 years, Berthold Hoffmann has been crafting beautifully sculptural cast-iron cookware that harks back to traditional shapes. The 10"-dia. pan (\$460) has the elegant lines of Greek vessels; the 5.8-quart lidded casserole (\$833) evokes the silhouettes of 19th-century English transferware.
